

The ideal „news&science“-page of the Austrian Research and Support Center for the Gifted and Talented...

consists of...

- **about 3.600 characters**
(see Word program: file > properties > statistics > characters)
- + **1 photo**
 - digital photo or an analogue one (scan with 300 dpi)
 - please send photos separately (jpg, tif, raw, pdf, eps)
 - please send photos in print quality (at least **400 KB**)
 - Colours: CMYK or RGB
 - The selection of the pictures is at the discretion of our graphic designer.
- **Captions:** please attach captions at the end of your word file or send them separately (in word)
- If you want to add graphs/tables/diagrams:
 - resolution (at least 300 dpi original size)
 - file format: ai, tif, pdf, eps
 - colours: CMYK (if possible not RGB)
- **Logos:** file format: eps (vectorised file)
 - if eps is not available, see photos/pictures
- **Please consider gender diction** (e.g. headmaster and headmistress)
- Attach a **list of abbreviations**, if necessary
- **Headline** (a Title **AND** a Subtitle)
- **Author** (field of activity)+ **e-mail** at the end of the article
Author's **address** for shipping copies of the journal

We hope these clues will facilitate your (and our) work!
